

# ACALANES HIGH SCHOOL TRACK AND FIELD

*League Champions: 2008, 2010, 2013, 2014, 2016, 2017*

## ADDITIONAL CONTRIBUTION TO THE PROGRAM

The Acalanes High School Track & Field Program asks that each athlete contribute to the team fund to help with long term expenses, including equipment, facility maintenance and improvement.

This contribution is in addition to the participation donation, which only covers athlete gear and seasonal expenses like meet entry fees, transportation and coach stipends. This additional contribution is essential for Acalanes Track & Field to continue to provide the best possible practice and competition environment for our athletes!

**Please consider a minimum additional contribution of \$100 toward this vital fund.**

Or, designate where you want your money to go:
